Bagneux, October 5<sup>th</sup> 2018

Mr. Mamikon ASLANYAN  
Mayor of Vanadzor

Honorable Mr. Mayor,

The city of Bagneux and I join you in mourning Charles Aznavour, one of the greatest musicians our time. His songs touched the hearts of millions across the globe, from his joyful accounts of Paris in the 60's, to the way he put words on the Armenian genocide. In this moment as in others, we are by your side.

I am sorry to inform you that I will not be able to attend the weekend of celebrations in Vanadzor on the weekend of October 13<sup>th</sup>, due to prior engagements. However, Jean-Marc Besson, the elected official for international cooperation and twinning, will attend the ceremonies. We will send you the details shortly.

I am looking forward to meeting you during the celebration of the 50<sup>th</sup> anniversary of our twinning in Bagneux this November.

For any further questions, please feel free to contact Jeremy Boucher, my collaborator in charge of international cooperation:
